Discount Program Announced for Mechanicsburg Chamber of Commerce Membership

MECHANICSBURG, PA, June 17, 2010 - - Digital Planet, Inc. announced today that members of the Mechanicsburg Chamber of Commerce are entitled to a discount on eligible technology and virtual back office services. This program will provide substantial savings over the normal rates.

Digital Planet President Rick Gurba stated, "We feel it is important to do business with Mechanicsburg Chamber members and are glad to offer an incentive to do so." Gurba continues, "Our package of services combine technology and other virtual back office services that are needed by small business owners to leverage their time and cash flow."

"A substantial number of the Digital Planet team members are located in the Mechanicsburg area," states Bryan Ebbert, Sales and Technology Consultant. Ebbert continues, "We recognize the importance of community involvement by local business and our leadership supports those efforts."

The discount program is available to Chamber members through September 30, 2010.

About Digital Planet:

Established in 2009, South Central Pennsylvania based Digital Planet delivers comprehensive technology & business process outsourcing to non-profit organizations & small business. Their mission is to provide entrepreneurs and small businesses with a team of proven experts that can cost effectively help a company grow from an idea to a sustainable business. They provide all of the financial, legal, human resource and technology support in one package enabling the entrepreneur to focus on what matters; their products and customers. Digital Planet services are delivered in a cost-effective manner by combining technology and industry experience to leverage time and cash flow leading to sustained business growth. Digital Planet is the Virtual Back Office in a Box.
