**Digital Planet Announces Winners of PANO Scholarships**

*Free Conference Pass and Service Presented to Non-profit Organizations*

MECHANICSBURG, PA, March 12, 2012 - - Digital Planet, Inc. is proud to announce Leg Up Farm, South Central EMS, Inc., Emergency Health Services Federation, Inc., The Factory Ministries, and Lancaster EMS as the winning recipients of our PANO Scholarship Giveaway. As a company, Digital Planet is thrilled to have the opportunity to continue their support of non-profit organizations in the Pennsylvania area.

In January, Digital Planet announced they would be launching a scholarship giveaway to non-profit organizations to receive a conference pass to the 2012 Annual Pennsylvania Association of Nonprofit Organizations conference and up to four hours of free service from any of Digital Planet's specialized services. "We felt that this could be a great opportunity for non-profits to gain more knowledge and skills to better their organization within the community," stated Rick Gurba, President.

The 2012 PANO Annual Conference will be held April 16-17<sup>th</sup> at the Central Hotel & Conference Center - Best Western Premier in Harrisburg. Since 1984, PANO has worked as a statewide membership organization that serves to advance the charitable nonprofit sector through leadership, advocacy, education, and services in order to improve the quality of life in Pennsylvania. This conference serves as a great opportunity for non-profit organizations to network and gain more resources and information on how to effectively tell their story in a compelling manner to funders, donors, legislators, media, boards, staff, and program recipients.
